Online Master of Business Administration

LEARN FROM THE BEST IN BUSINESS.

This is your window of opportunity

“

The MBA at Melbourne Business School is so much more than just knowledge. It is listening to a classmate bring their workplace into a class discussion, it is working with people from different industries on a project, it is attending presentations by prominent business people, it is late night discussions with other students, it is participating in a range of student events, it is working on real company projects, it is networking with alumni, and it is being pushed to not settle for the easy answer. In short, the MBA at MBS is an experience that, if you let it, can transform your life. This is why MBS has the top MBA program in Australia. The MBS experience is central to the new Online MBA. Just because a person cannot attend MBS in person does not mean that they should miss out on the MBS experience. The Online MBA at MBS is so much more than just knowledge.
